Re: Electronic Publication of the dissertation – Embargo

In accordance with the RerNat-O § 21 (8), we hereby ask to make only an abstract, but not the entire dissertation, publicly available for a period of twelve months after the date of the thesis defense (“embargo” / “Sperrfrist”).

Title of dissertation: ..... Genomics of Hybridization and Adaptation in Primates.....  
.....

Reasons why the entire dissertation should not be made publicly available yet (detailed explanation):

This dissertation include three unpublished papers and data. These papers are in the first or second revision.
